Celebrating 30 Years

This year, we celebrate our 30th year anniversary. We, the Hispanic Association of Women have strived to be a community leader and an organization known for promoting education and empowering women of all ages.

The Hispanic Association of Women annually recognizes outstanding women in our community. They are Hispanic women that have gone beyond the call of duty in their respective areas of expertise. They serve as role models for current and future generations.

We also take the opportunity to recognize our 2013 scholarship recipients. Due to the tremendous support of our community business partners, we will distribute \$20,000 in scholarship dollars. The Hispanic Association of Women is appreciative and humbled by your overwhelming support. We look forward to our continued partnership and we, like you, remain devoted to enhancing our community through involvement, education, and awareness. Please join us in honoring our Hispana Inspiradoras and scholarship recipients.
